Public Input Needed on the Environmental Cleanup at Rickenbacker Air National Guard Base

A study of the potential impact on area water supplies from base activities will be the focus of the quarterly meeting of the Rickenbacker Restoration Advisory Board. The meeting will be held on Tuesday, January 23, 1996, at 7:00 p.m. at the Hamilton Township Community Center, 6400 Lockbourne Road, one block north of Highway 317.

The Restoration Advisory Board is a forum for the exchange of information and partnership among citizens, Rickenbacker Air National Guard Base, the U. S. EPA, and the Ohio EPA. This meeting offers an opportunity for the community to provide input to the environmental cleanup process.

If you would like more information or wish to be added to the mailing list, please call the Air Force Base Conversion Agency Office at (614) 492-4292.
